Dear Internship Coordinator,

I hope you are doing well. I am writing to express my interest in applying for a summer internship at your esteemed organization.

I am currently a student pursuing my studies in Artificial Intelligence and Machine Learning, and I am eager to gain practical experience in a professional environment. I am particularly interested in developing my skills in PYTHON, JAVA and HTML, and I believe that your organization would provide an excellent platform for learning and growth.

I am a dedicated and motivated individual with a strong willingness to learn and contribute. I would be grateful for the opportunity to be considered for any available internship positions during the upcoming summer.

Thank you for your time and consideration. I look forward to your response.

Yours sincerely,

Nomaan Ahmed
